Advance Red Major is a dark red, smooth, thick bull with a very good head. I had intended to exhibit this bull at some of the 1951 shows, but I am forced to sell because I am being drafted into the Service. I feel that this is a very good herd bull prospect.

These beautiful females are a part of the superb cow herd owned by Arnold Bros., Sterling, Illinois, who are sending a strong consignment to this sale. They are typical of the excellent herds owned by breeders who consign regularly to the "Sale of Satisfied Buyers". Wouldn't you like to have a pasture full of females like these? Select foundation stock from this well bred sale offering and you will be making steps in the right direction.

Thirty-Nine Female Lots

The "Sale of Satisfied Buyers" kind. Well bred cattle, outstanding individuality, offered in strictly breeding condition. The kind that you want in exactly the condition you want them. Cows with calves at foot, heifers in calf to famous sires, and a beautiful string of open heifers.

At nearly every Abingdon sale someone from a distance fills out a carload. So that there will be a selection worthy of traveling such a distance, the management of this sale has followed the policy of making this one of the breed's largest offerings. If you've never been to an Abingdon sale, you owe it to yourself to attend. Remember . . . many entire herds, top herds, have been founded solely on purchases at "The Sale of Satisfied Buyers."

Here is a sample of the kind you will find in the "Sale of Satisfied Buyers" at Abingdon on March 16th.

Village Rosewood 22d, a deep-bodied, thick, sweet-headed daughter of our Denver reserve champion Browndale Air Raid. She was mated December 2, 1950, to Elbrlaw Commander, a dark-red son of Klaymor Freebooter. This little lady was good enough to place second at the 1950 National Western Stock Show in Denver. Calfhood vaccinated and clean.

Sni-A-Bar Control, undefeated grand champion bull wherever shown in 1946 and 1947. Lot 61 is a granddaughter of this famous bull.

Meadow Beauty 31st is a beautiful white granddaughter of the International grand champion Sni-A-Bar Control. This heifer was calfhood vaccinated, is clean, and was mated to Elbrlaw Commander, our dark-red son of Klaymor Freebooter on November 22, 1950. I will venture a guess that the buyer will get a show calf from this mating.

TERMS, CONDITIONS, GUARANTEE

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, are safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case of dispute, the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.
